

New Format for Our Newsletter!

This is a new format for our Monthly newsletter. We will be tweaking it a bit over the next month or so, to make it easier to read and have more 'Preferred Customer' related info and content. It will also allow us to send it out to 2500 recipients at once, rather than 100 at a time like before. Please feel free to email us with any suggestions or comments/requests at newsletter@CorvettePerformanceAZ.com. We are also posting current and past newsletters on our website. On our website, go to the 'Newsletter' tab on the top bar. Click on 'Newsletters' and check out the past monthly postings.

Corvettes and Caffeine

Our September Corvettes and Caffeine was a great success, especially since it was a LWE, Hot, and a 60% chance of rain. The next CnC is Saturday, October 6th. We are having more 'Preferred Vendors' for this event so we have lots of things 'For the Ladies'. Be sure to RSVP on the website, www.CorvettesandCaffeine.com. Just click on the RSVP link, select a date from the drop down list and send it. We will save a donut for you!!

FaceBook Page

We have had lots of 'Positive Feedback' about our FB Page. With our 'Admin' page, we can see who is looking at what part/pic, etc. and it seems the pic's of our events, store pic's are popular and lots of comments about us 'Ourstanding in the Field.!! Another 'Record' month for CPAZ!! Summer is almost over and we are heading into our 'busy' season. With our increased inventory and lots of 'Seasonal' merchandise coming in for the Holiday Season, we are looking forward to a strong finish for 2012.

New Vendor Products

Corvette Arizona is now stocking **Centric 'Posi Quiet' Brake Pads**. These '**Ceramic**' pads are designed to fit the new **Z06** and **Grand Sports** and 'Significantly' reduce brake dust, keep your wheels cleaner, and improve braking.

These pads will retail for \$99.99/set!

Corvettes for Sale

We have updated the '**Vettes for Sale**' page on our website, marked the 3 'Sold' vehicles and added our new Corvettes. Check out the **1967 Coupe** and the **'02 Convert**.

New POS System

Our new POS system is up and running. We have imported all our inventory and PC's, doing cycle counts and have been using it as our 'Primary' system for about 10 days. So far, everything is as planned, with better inventory control, ordering and tracking. Over the next 30/60 days this system will enable us to source products from multiple vendors with one CPAZ part number. This will allow us to print/post a catalog in the near future.

Corvette New Years Party

Last year we had 11 different Corvette Clubs represented and it looks like this years event will be better than ever!! Excellent Dinner (4 Choices), Great Music and Dancing and 'Special' room rates available. This years theme is 'Honoring Our Military, Past & Present!!' Check out the attached Flyer and make your reservations early! 'Preferred Seating' available for 'Clubs' and 'Groups'!!

BAD's Bits

Just when you think you have seen almost everything in the automotive business, something comes up that you can't believe!! This time, for me, it was seeing a 'Rear Spoiler' on a'Wait for it'....."VOLVO"!!

Volvo, (their company motto is 'Insecurity Defined'!), has prided themselves on making the 'Safest cars on the road'. Now they want to sell their buyers on 'Sports Design' and 'Going Fast'?? Guess they are fast if you have been used to 'Public transportation' all your life and this is your first 'Sports' Car!!

Of all the 'Import Car' Manufacturers, I think Mazda is the only one that has it figured out. When you look at the saying 'In life, as long as you don't set your goals too high, you will never be disappointed'!, Mazda will settle for being a 3 or a 5. Guess if they call it a Mazda 3, the 2's will but them.

Until Next time!

Gift Cards

CPAZ has our new 'Gift Cards' at the printers. They will look similar to our Preferred Customer Cards, barcoded and they will be available in any amount requested. Excellent choice for Christmas or for someone working on a 'special' project.
